Non-jumping Classes – Veteran or Disabled Handler

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

DAY OF TRIAL ENTRIES: Trial entries will only be taken after the closing date if we have not filled. Traditionally, our winter trials DO fill so if you want to attend, you need to enter early. After the closing date, entry fees are \$15 per run.

HEAT!!!! If it is extremely cold, we may have to set up a “heating fund” at the trial.

MUSIC: Music is played throughout the day at our trials! Most classes have themed music as much as possible like songs about jumping for jumpers, gambling for Chances, etc. However, each participant entered in regular can select their own theme song to run to in that class. Please let us know what your chosen song is and we will do our best to play it for you. Songs must be individual (not already in use) and a hint is to listen before deciding because songs with long intros may find you finished your run before the part you like begins! There is no charge for your song and no need to send the song to me. If, in the future,

you decide to change songs, there is a \$2 charge to cover the download fee.
